RE: July Quarterly Report
ID# C00202861

Dear Mr. Kitchen:

Please find enclosed revised schedules for the above referenced reports. You had requested that we revise these reports to include the congressional district and office sought on schedule B supporting line 23. You also requested that we reproduce the schedules on FEC FORM 3X. We had previously reported these schedules on computer generated formats which were unacceptable to you.

We trust that you find this information complete and acceptable. If you need any additional information please advise.

Very truly yours,

John M. Robinson, Treasurer
